Blow Pipes

UTILISING NATURAL RESOURCES AND THE ANCESTRAL SKILLS OF THE BATWA BUSHMEN
INVENTIVE PLANNING, ORGANISING AND EFFECTIVE PRODUCTION WILL WIN THE DAY.

The team will design and create their own "poison" Blow Dart, utilizing natural resources and the ancestral skills of the BaTwa Bushmen. They will need stealth and cunning to successfully "hunt their prey/competitors". Will their dart successfully make the journey through time and hit the target. Will the team survive another day?

Factors enhanced through this activity are:

- Plan, organise and produce
- Common goal
- Utilisation of resources
- Team performance
